GENERAL INFORMATION

PRICES

In every instance the price named is entirely in keeping with the high quality of our guaranteed stock. Inferior grades of stock may be bought for less, but poor stock is costly at any price and an experienced planter will not buy it. It is not so much what the customer pays as it is what he gets for what he pays that determines his degree of satisfaction.

We Guarantee Stock to be Delivered in Good Condition.

We Replace at One-half List Price Any Stock that Fails to Grow First Season.

TRANSPORTATION CHARGES PAID

We pay transportation charges on nursery stock at prices quoted, making delivery by Truck, Freight, Express or Parcel Post, as we find advisable.

Garden Furniture and Supplies F. O. B. Waynesboro, with the exception of nearby points where we can deliver by truck, and postpaid articles.
